

Aphid Banquet For Two - From the Album "Mighty Wolf"

[Intro]

I'm a ladybug
Did you expect
I'd be a lady?
Incorrect
I'm a manly ladybug

"But I'm not some macho rockstar. Just listen to this soft guitar"

[V1]

[Bb]
I like to fly and to crawl
[Bb] [F]
I like to sit in the sun
[Bb]

And I'd like a friend 'cause every meal I have
[Eb] [F] [Bb]
Is an aphid banquet for one

[Bb]

I like my colorful wings
[Bb] [F]
I like to molt when I'm young
[Bb]
I'd like a friend 'cause every meal I have
[Eb] [F] [Bb]
Is an aphid banquet for one

[Bridge1]

[Ab] [Eb]
An aphid is a little bug that sucks out the juice
[Bb]
From a plant's leaves
[Ab] [Eb]
Farmers love me 'cause I'll eat 5,000
[F]
Of these pesky plant thieves

[V2]

[Bb]
I like to feast and to feed

[Bb]

[F]

But there's so many aphids in this garden
[Bb]
Oui, maitre d' it's kinda lonely to be
[Eb] [F] [Bb]
(At) an aphid banquet for one

[Spoken]

Oh boy, a friend! Can we be friends? [Um hmmm]
You know, I wonder if we're the same age. Lemme
count your spots. 1,2,3,4,5 (interrupts)

Hey silly, you can't tell a ladybug's age just by counting
her spots. That's a myth. Plus we only have a lifespan
of 2-3 years max and lots of that time is spent
hibernating through the cold winter months.

This life's just too short to spend it all by your
lonesome. Whattya say? Table for 2?

You bet! Waiter, table for 2 please.

Excellent, I have 'zis lovely leaflet available over by 'ze
stem.

[Bridge2]

[Ab] [Eb]
We'll hibernate together in the winter
[Bb]
Asleep in a swarm (safe through the storm)
[Ab] [Eb]
And celebrate our first birthdays
[F]
As the weather begins to get warm
[Db] [Ab]
Bright-colored shell to tell the predators
[Eb]
"We could be poisonous" (But we're not)
[Db] [Ab]
We'll spew a foul goo from our knees
[Eb] [F]
If they even try to mess with us

[V3]

[Bb]
I like to fly in the sky

[Bb] [F]
I'd like to fly next to you

[Bb]
Yeah, I like you but what I'd really love

[Eb] [F] [Bb]
Is an aphid banquet for two
[Eb] [F] [Ab][G]
An aphid banquet for two

[Eb] [F] [Eb] [F] [Eb]
An aphid banquet for one plus one, minus none makes
[F]
two

[Eb] [F] [Bb]
And that means Me and you!
