

In Love With Nature - From the album "Get Outdoors"

[G --> G/D --> G/C --> G/D]

[V1]

[G --> G/D --> G/C --> G/D]

Hiking through a columbine field

[G --> G/D --> G/C --> G/D]

Clouds part and the peak is revealed

[D] [D/B] [C] [D]

As I climb over talus with feet that are callused

[G --> G/D --> G/C --> G/D]

and raw

[D] [D/B] [C] [D]

I remember the family of moose and the blue

[G --> G/D --> G/C --> G/D]

spruce I saw

[D] [D/B] [C] [D]

Hey la la, hey la la, hey I'm in love with the

[G --> G/D --> G/C --> G/D]

mountains (x2)

[V2]

Watching the beavers at work

Toads, salamanders and turtles swim around in the murk

Oh, the cattails and freshwater snails snuggle deep in the soils

They can purify water polluted with toxins and oils

Hey la la, hey la la, hey I'm in love with the wetlands (x2)

[Bridge]

[C] [G] [D] [G]

Some folks may say that insanity has hit

[C] [G]

When they catch me hugging rocks in the streams

[D] [D/B] [C] [D]

But this love that I feel -- for nature is real

[C] [C/B] [Am] [D]

And exploring in nature means living your dreams (at least it does to me, and me, and me and me, and ME!)

[V3]

[G --> G/D --> G/C --> G/D]

Sandstone that's been carved into canyons

[G --> G/D --> G/C --> G/D]

Jackrabbits, lizards and cacti - my hiking companions

[D] [D/B] [C]

Oh, the cottonwood trees give us clues where the

[D] [G]

water is hiding

[D] [D/B] [C]

And the shrew licks the dew from the rocks as the

[D] [G]

goshawks are gliding

[D] [D/B] [C] [D]

Desert skies lack the moisture that tears in my eyes

[G]

are providing (tears a' joy!)

[D] [D/B] [C] [D] [G]

Hey la la, hey la la, hey I'm in love with the desert (x2)

[D] [D/B] [C] [D] [G]

Over and over and over again in the mountains, the wetlands, the deserts

[D] [D/B] [C] [D] [C] [D]

Over and over I roll in the clover a wild raving rover

[C] [D]

I've just got to go there

[C] [D](stop)

'Cause I am in love ---

[G --> G/D --> G/C --> G/D]

with nature
