

**Please Turn Off the Lights** - From the album  
"Rocky Mountain Tunes for Rocky Mountain Kids"

[V1]

[G] [C] [G] [C] [G]

I don't mind if ya build a fort, build it tall or build it short

[G] [D]

Prop up all the blankets with my broom

[G] [C]

And I don't mind if your runny nose gets boogies on your

[G]

dress up clothes

[D] [G]

But turn those lights out when you leave the room

I don't mind if ya take the chalk, and color on the front  
sidewalk

Draw us both a dinghy and I'll row

And I don't mind if ya spill the glue, as long as you did not  
mean to

But child turn those lights out when ya go (Here's why)

[Bridge]

[C] [G] [F] [G]

Electricity, is full of energy

[D]

And Mother Nature gives it generously (Thank You,  
Mama!)

[C] [F] [G]

But Mother Nature works so hard

[C] [G]

And sometimes she gets so tired

[D]

Turn those lights out let your mother sleep (Goodnight,  
Mama!)

[V2]

I don't mind if your dungarees, get grass stains on their  
faded knees

And it's alright if ya wet the bed last night

I don't mind if your sippy cup, is upside-down or right-  
side-up

But when you leave the room turn off the light (Here's  
why)

[Bridge]

Electricity, is full of energy

And Mother Nature gives it generously (Thank You,  
Mama!)

But Mother Nature works so hard, and sometimes she  
gets so tired

Turn those lights out let your mother sleep (Goodnight,  
Mama!)

[V3]

I don't mind if ya spill the paint, as long it was an "acc-ident"

And I don't mind if your bare feet touch the ground

And it's alright, to use the light

Flip that switch up late at night

But flip that switch down when you're not around (x2)

And Mother Nature will sleep safe and sound (Goodnight,  
Mama-Click)
