

Prairie Grasses Wave - From the album
"Songs From the Trail"

[V1]

[E]

From the Appalachian Mountains

[B]

To the Rocky Mountain Hills

Prairie Grass is growing, in the wind it's blowing

[A] [B] [E]

From roots to panicles

[A] [B] [E] [B] [E]

Can't you see 'em wave, swaying to and fro

[A] [B] [E] [B] [E]

Can't you see 'em wave, they're so beautiful

[Chorus]

[E] [B] [A] [E] [B] [A] [E]

So wave prairie grass, and save prairie grass (S-A-V-E)

[A] [E]

Cause nature gave the prairie grasses

[A] [E]

As a gift to all of us

[A] [E]

And I am happy just because

[B] [A] [E]

I love to see 'em wave

[V2]

We should all say "thanks" to the prairie grasses, for their good deeds

Cause there wouldn't be cereal, oatmeal or cookies

Without their seeds

Can't you see 'em wave, swaying to and fro

Can't you see 'em wave, they're so beautiful

[Chorus]

[Bridge]

[C#m] [B] [A]

Well, there are many creatures living in the

[E]

prairie grass

[F#] [B] [F#] [B]

And now I'll tell you lots of them, super-duper fast

[E]

(You'll find some) Centipedes and eagles, foxes, ants and meadowlarks

[B]

A pronghorn meets a mouse

Spiders and coyotes, rattlesnakes and owls

[A] [B] [E]

Bison, deer and grouse

[A]

Nematodes and sparrows, badgers in their burrows

[E]

Blackbirds fly in flocks

[F#]

Grasshoppers, rabbits, earthworms, skunks, quails,

[B]

geese and red-tailed hawks

(Oh, and prairie dogs too)

Can't you see 'em wave, swaying to and fro
Can't you see 'em wave, they're so beautiful

[Chorus]

And all of us means all of you

And the prairie critters too

There's one last thing we should do

Let's make 'em wave (3x)
